

Solo and Ensemble Commitment Sheet

This sheet is designed to help us stay committed to solo and ensemble. I have many students that sign up and then after I have done the work of getting them in and prepared, they decide not to go. S/E takes a lot of time for me to organize and I want to make sure we are utilizing our time most efficiently. I am hoping that this will increase our level of commitment and decrease any time or money wasted in the past.

I _____ give my commitment for helping my child _____ attend the solo and ensemble event on **Jan 30th (JH)** or **Feb 6th (HS)** at **Rochester HS**. This means that I will help my child set up rehearsal dates with accompanists and/or other required musicians (duets and trios), get their music, pay for the accompanist before the event, and make sure my child is at the event on time. I have included a check made to the **Memphis Music Boosters** for the appropriate amount for the event. **Do not pay me for the accompanist...pay the accompanist.** Ms. Newman is an excellent pianist. She charges a very reasonable rate of \$30 and will work with your schedule very well. Contact her very soon.
