2009-2010 SCHOOL YEAR

*From the Principal,*

Thank you for another wonderful year at Memphis Elementary School. It would not be possible without the support of our wonderful parents, students and staff.

In order to improve existing programs we need your input. Please complete the attached surveys and return them to the school office. Only one per family needs to be completed.

On August 31<sup>st</sup> the school will be open from 2:30-7:30 for parents and students to meet and greet their teacher for the 2010-2011 school year. A packet of information, forms to fill out and the child's teacher name will be given out on that date. Bus schedules will also be available.

We have generated a new supply list with the essentials that all teachers will be using. We have also compiled the wish list of items that are helpful in the classroom during the school year. Hopefully, this will help parents during school supply sales this summer.

Have a great, fun and safe summer.

Nancy Thomson
