November 22, 2022

The Memphis Community Schools Board of Education completed its evaluation on Monday November 21, 2022. The Board utilizes the Michigan Association of School Boards Superintendent Evaluation instrument which can be reviewed on the Memphis Community Schools website located in the Transparency Reporting link. This evaluation begins every January with goal setting and continues throughout the year with informal and formal updates culminating in the annual evaluation of performance.

Mrs. Dobbelaer in her first year as Superintendent of Memphis Community Schools earned an overall rating of Effective. The Board of Education voted 6-0 with one member absent to approve the 2022 evaluation with an Effective rating. This rating reflects the execution of Mrs. Dobbelaer's entry plan that can be reviewed in the Superintendent's Message link as well as her work throughout the 2022 school year supported by her administrators and district staff.

The Board of Education looks forward to working with Mrs. Dobbelaer and her team to provide the very best environment for our community's children to learn and grow.

Sincerely,

Martin Cook
Board President
