

## Family Educational Rights and Privacy Act (FERPA)

The *Family Educational Rights and Privacy Act* (FERPA), a Federal law, requires that Memphis Community Schools, with certain exceptions, obtain your written consent prior to the disclosure of personally identifiable information from your child's education records. However, Memphis Community Schools may disclose appropriately designated "directory information" without written consent, unless you have advised the District to the contrary in accordance with District procedures. The primary purpose of directory information is to allow Memphis Community Schools to include this type of information from your child's education records in certain school publications. Examples include:

- A playbill, showing your student's role in a drama production
- The annual yearbook
- Honor roll or other recognition lists
- Graduation programs
- Sports activity sheets, such as for wrestling, showing weight and height of team members.
- Board Minutes (Student of the Month Award, Athletic or Academic Achievements, etc.)
- Website, LED Sign, Social Media

Directory information, which is information that is generally not considered harmful or an invasion of privacy if released. In addition, two federal laws require local educational agencies (LEAs) receiving assistance under the *Elementary and Secondary Education Act of 1965* (ESEA) to provide military recruiters, upon request, with three directory information categories – names, addresses and telephone listings – unless parents have advised the LEA that they do not want their student's information disclosed without their prior written consent.<sup>1</sup>
