It is a goal of Memphis Community Schools to continually improve communication with our students, families and community members. It has been brought to our attention that reaching us when a transportation emergency occurs has been very difficult and frustrating. To help address some of these concerns please review the following information.

Transportation Director office number: 810-535-8230

Office hours are 6:00 – 8:30 am and 2:30 – 4:15 pm (when not driving)

Transportation Director email: jgardner@memphisk12.org

Emailing the transportation director is the most effective means of communication for transportation non-emergencies. If you do not receive a response within one (1) business day please contact the Administrative office.
